## Businessmen Elect Officers For Year

Arrangements were made to hold the 17th Annual Card Party and Social Evening in the Fulford Hall on Wednesday, Dec. 3rd. Prizes will be given for the three winning tables. There is also a list of prizes for lucky chairs, lucky tables, door prizes, etc. Final arrangements will be made later.

## NO SIGN OF FLYING BOAT AS YET

An extensive search has been conducted during the past week for the twin-motor Stinson flying boat that has been unreported since Tuesday, Nov. 4th, on its flight from Penticton to the R.C.A.F. Station here at Patricia Bay, but no trace of it has been found.

The 'plane, which was, according to reports, making a flight from eastern Canada to Patricia Bay Station, was lost in a snowstorm on the last lap of the journey. At the present time the search is being concentrated around Alberni, where two loggers report seeing a low-flying 'plane on Tuesday afternoon. However the entire west coast, 60 miles inland and about 100 miles out to sea, has been thoroughly searched without any sign of the 'plane.

Participating in the search have been the U.S. Army and Navy aircraft, who have scoured the western section of the state of Washington and also 100 miles out to sea.

It is now believed that little hope remains that the 'plane may have landed at sea and is still aloft.

The 'plane carried a crew of four and it is understood that the next of kin have been notified from Ottawa.

This is the second 'plane that has failed to reach its destination at Patricia Bay Station when making a flight across Canada. During the latter part of September a 'plane crashed near Yale, causing the death of its crew of three.

## LADIES' AID MET THURSDAY

GANGES, Nov. 12.—The regular meeting of the Ganges United Church Ladies' Aid Society took place last Thursday afternoon in Ganges Inn. The president, Mrs. J. Dewar, was in the chair.

The secretary's report and correspondence were read.

The treasurer gave an account of the recent sale of work by which over \$86 had been raised for the funds, she also stated that there was a balance in the bank of 133.22.

In answer to an appeal from the church board, \$100 was voted, by the members, for assistance in the finances of the church.

Mrs. B. Kroebis supplied the usual 20 minutes of instructional reading.

The dornas secretary stated that a few articles had been left over from the recent sale and it was decided that these be brought to the next meeting and sold at reduced prices.

The president stated that a time had been set aside each week for a period of religious instruction for the older pupils of the Consolidated School. In this matter Archdeacon G. H. Holmes had expressed his ready and willing co-operation with Rev. J. Dewar.

Arrangements were made for the cleaning of the church for the month and reports heard from the sick visiting committee, Miss M. Lees and Mrs. J. D. Reid.

Ten hostesses were Mrs. H. Nobbs and Mrs. R. Toynbee.

## Whist Drive Aids War Savings Stamp Sales

GALIANO ISLAND, Nov. 12.—A novel and satisfactory whist drive was held in Galiano Hall on Friday, arranged by the War Savings committee, consisting of Mrs. D. A. New and Stanley Page. They were ably helped by a number of willing workers, including Mrs. S. Page, Mrs. Stuart Snow and Mrs. Ronny Page.

Prize of admission was one War Savings stamp, and the winners at cards, Mrs. Bond and Leslie Page, each received stamps to the value of a \$4 certificate. Consolation prize winners also received stamps, as did eight holders of "lucky numbers" during the evening.

The sum of \$14 was raised by the evening's entertainment.

The annual dinner meeting of the Sidney Businessmen's Association took place in the Sidney Hotel on Thursday evening, Nov. 6th, George L. Baal presiding.

After enjoying a chicken dinner with all the trimmings, served by Mr. Greenwood and his staff, in the usual sumptuous manner, the business meeting got under way.

In connection with the street lights the secretary was instructed to write H. C. Woods, the man that carefully looks after the same, expressing appreciation of his faithful service and to send a cheque to further emphasize the manner of the members' appreciation of Mr. Woods assistance.

Narrow escapes in running down airmen at night on the road from Sidney to the R.A.F. and R.C.A.F. were related by more than one member. The seriousness of the matter resulted in a motion going through to contact the Public Works, Victoria, with the idea of constructing a sidewalk for the airmen. The color of their uniforms makes it very difficult to distinctly see them on the highway at night. There is no sidewalk available at present and it is feared a fatality will shortly occur if a walk is not soon provided.

The president, Mr. Baal, gave a very interesting review of the work accomplished during the year.

The financial statement showed that balance was on the right side of the ledger, but it was pointed out that the financing of the fire brigade was a major problem facing the fire protection committee.

George Cochran was accorded a vote of thanks for his untiring efforts to obtain a bank for Sidney.

After hearing various committee officers report the election of officers took place, resulting as follows:

President—Hugh J. McIntyre.  
Vice-President—A. W. Hollands.  
Treasurer—William Peddie.  
Secretary—Samuel Roberts.  
Auditor—W. Pillar.

The appointment of chairmen of the various standing committees will be given consideration at an early date.

Applications for membership from W. W. Gardner and Stanley Watling were endorsed unanimously.

Heated words floated about as regards the water situation in Sidney at present and culminated in the secretary being instructed to write a strong letter to the Sidney Water & Power Co. Ltd. as regards the very unsatisfactory service and to urge that immediate steps be taken to provide sufficient water for the needs of the town and district already on the water line.

The question of incorporation of the town of Sidney under the Village Act was discussed at length and a committee appointed to study the matter and report.

The association went on record as endorsing the action of the Duncan Board of Trade as regards their efforts to preserve Cathedral Grove, near Alberni, as a park.

## RED CROSS MET AT GALIANO

GALIANO ISLAND, Nov. 12.—At the recent meeting of the Galiano Red Cross Unit, which was held at the home of the president, Mrs. T. Anderson, it was decided to hold meetings every second week instead of just once a month, to encourage the members to do more of the work on sewn and knitted garments which are so urgently needed.

Mrs. R. N. Heryet has kindly loaned the unit one of her cottages to use as a work and store room and it will be open to all members at any time they may want to work in it.

Work for a sale of work which will be held at the hall on the evening of Friday, Nov. 28th, is well under way, and any persons who have any items suitable for sale, should give the same to any member of the committee. There will also be a whist drive and dance held at the same time as the sale.

Ten was served by the hostess, assisted by Mrs. Heryet and Mrs. Cullaghan.

## Galiano Hall Club Elects Officers

GALIANO ISLAND, Nov. 12.—The Galiano Hall Club held its 18th annual meeting on Thursday, Nov. 6th, with the president, A. E. Steward, in the chair. After the reading of the minutes of the last meeting were read by the secretary, Leslie Page, the election of Officers for the coming year took place.

GANGES, Nov. 12.—The Ganges Women's Institute held its regular monthly meeting recently in the committee room of the Mahon Hall, Mrs. Charlesworth presiding. All routine business was accomplished.

It was announced that Major C. C. Wilson's two lectures, held under the auspices of the Women's Institutes, had cleared \$80 for the Ranger Wilson Spitfire Fund, the lecture given at Ganges had been organized by the teaching staff and students of the Salt Spring High School.

A letter from Mrs. Penso was read and resulted in a suggestion that members start sewing for Bundles for Britain at the next meeting; large consignments of material, clothing and other articles have been received by the convener, Mrs. B. G. Wolfe-Morton and sent off by her to headquarters of the organization.

A letter of thanks was read from the Solarium acknowledging 15 jars of jam sent from the institute.

In connection with the proposed making of apple jelly, it was decided to abandon the idea for the present, as the crates of jam for overseas had already been shipped and to reopen the matter at the beginning of next year's fruit season, when arrangements will be made for making jam or jelly and receiving the promised donations of sugar.

Prizes offered by J. A. Nunn of Sidney for the largest pumpkins grown by local children were awarded as follows:  
First—Margaret Manson;  
Second—Dennis St. Denis.  
For the best garden:  
First—Jim Crawford;  
Second—Gwen Lumley.

The committee was instructed to purchase rose trees, due this autumn to members winning first prizes at the Rose Show held at the Mahon Hall on June 4th.

A rose tree donated at the meeting by Mrs. A. B. Elliott was won by Mrs. J. Reyon, who, in turn, will next month provide something for competition, the money raised in this way will be invested in War Savings stamps for the institute.

Most of the afternoon was given

up to listening to a most interesting report given by Mrs. B. G. Wolfe-Morton on the conference held in Victoria in October and which she attended as delegate.
